

Virtual Reality Experience

Getting Started!

- Minimum Age: 8+
- Do Not Enter without staff supervision!
- Do not remove the headset without instructors help.
- Please raise hands if assistance is needed, throughout the experience.

Please take note:

1. An **electromagnetic** field is emitted from the headset - can be harmful to those with cardiac pacemakers, hearing aids or other medical implants.
2. Motion sickness is possible.
3. VR may cause nausea. (Sick bags are available on-site).
4. There is a risk of slip/ trip/ fall.

VR is not recommended for the following:

(1) People that suffer from:

- Sensory processing disorders.
- Motion sickness.
- Epilepsy or a history of seizures and blackouts.
- Vision abnormalities.
- Psychiatric conditions.
- Heart conditions.

(2) People with pre-existing injuries or conditions.

(3) People who are intoxicated or under the influence of any substance.

Take a break!

A 15 - 20 minute break must be taken after 30 minutes of activity especially before starting any other Explorium sporting activities. Allow sufficient recovery time after using VR before operating a motor vehicle.

Zone Rules

- No running.
- Where provided, seat belts must be worn.
- No food, chewing gum or drinking in the VR area.
- Anyone suspected of being under the influence of any substance will be refused admission.
- Follow your instructor's guidance. Please respect our staff. Instructors have the right to refuse entry. Constant refusal to adhere to instruction will lead to removal from VR experience.

Just Ask!

Please ask an instructor if you have any questions!
